

ENGLISH

The English components for this term include:

- Poetry – concrete poems and performance
- Using vocabulary for effect
- Dialogue
- Persuasive writing – radio advert

Spelling, Punctuation and Grammar will focus on paragraphs, topic sentences and elaboration, word classes.

HUMANITIES

Geography will focus on the location and facilities of theme parks in the UK and overseas, using maps and research.

RE

The children will be exploring stories from other faiths, and how they shape people's beliefs.

FRENCH

We will continue our programme of language games, songs and stories to develop and extend basic language skills.

SCIENCE AND TECHNOLOGY

The Scream Machine topic is all about **Science**, including recognition and description of forces (how rollercoasters work!), scientific measurements and designing and completing experiments.

D.T. – We will be designing, creating, testing and evaluating against a given design.

Computing will include writing algorithms, searching the internet and coding (Scratch).

E-safety will continue to be an early focus.

HOME LEARNING

- Homework/Learning Logs come home every Wednesday and are expected to be returned on Monday.
- Spellings will also be set on a weekly basis. They will be personalised to ability, along with age related word pattern, and challenge words accordingly.
- If you have any resources or skills that we could utilise for this term's topic, then please let us know!

YEAR 5 CURRICULUM MAP AUTUMN 1

MATHS

Following the new National Curriculum there will be a focus on number skills this term. Place value and the number system will be explored in depth. Nets of shapes along with ratio will be linked to the overall topic.

There will be continual challenge using activities to deepen learning and problem solving.

PERSONAL WELL BEING

PSHE; through circle time and discussion we will be looking at changes, discussing the children's rights and responsibilities in school, as well as helping them to cope with difficult situations.

GAMES / P.E; Games will teach a variety of team games, P.E will cover the Rugby Haka and apparatus work.
