<b>Focus of Visit</b>	<b>Golden Playtimes and Foundation outside area</b>
<b>Classes/Staff Visited</b>	<b>Playgrounds</b>
<b>Summary of Activities</b>  <b>I visited the new outdoor play area for the Foundation stage and then went to both the Key Stage 1 and Key Stage 2 Golden Playtimes.</b>	
<b>Positive Comments About the Visit</b>  <b>The children were playing in the new area as I looked round and their engagement and enjoyment were obvious. The range of learning opportunities it provides and the huge amount of fun they were having were also evident! It looked like an extremely innovative and educational space to play.</b>  <b>During the Golden playtimes it was clear that children throughout the school had a good understanding of purpose of their Golden playtime and that they thoroughly enjoyed themselves during it. All the children highly rated their experience of this time and understood its distinction from a normal playtime. It was obviously a successful positive reinforcement of their golden behaviour during the week!</b>  <b>In terms of anything that they would like to change the comments included to have more equipment and to have the teachers joining in their games!</b>	
<b>Questions that I have</b>  <b>No particular questions on this occasion.</b>	
<b>Ideas for future visits</b>  <b>Achievement Assembly.</b>	
<b>Any other comments</b>  <b>N/A</b>
